HALFTIME SHOW 2004

War and Peace

I hope everyone's school year is off to a great start. Our rehearsals have been moving a bit slower than I would like. However, I feel that the heat and humidity have a lot to do with the pace we are able to maintain. Please continue to encourage your children to drink plenty of water. Marching band is a very physical activity and each student must be sure to keep him/herself properly hydrated. This includes over the weekend in preparation for Monday's rehearsal. Please remind students that caffeine enhances dehydration and can actually make them feel worse. Thank you for your help in this matter.

The Spring trip destination has been altered to adhere to Knox County School policy of staying within the United States.

The two options are:

1. The 50th Anniversary St. Patrick's Day Parade in Chicago
2. Magic Music Days Performance Package in Orlando Florida.

When detailed itineraries are available they will sent home with the students.

Remember that the SDHS Band Booster Association meets the second Tuesday of each month at 7:00 P.M. in the band facility. We need your participation. These meetings help us to keep the lines of communication open and provide a time of encouragement and support for the students of our program.

Thank you for all you do in support of your child and this program.

Chris J. Satterfield, *Director of Bands*
